The Southland FFA Milk Quality team and Poultry team competed at Area this weekend and did very well. The Poultry Team, consisting of Bryce Meurer, Daniela Galindo, Kaylei Schoonover and Tucker Lee qualified for State and will compete at Texas A&M University on May 3, 2014. The Milk Quality Team, consisting of Hayden Benham, Kristen Hill, Ericka Johnson and Micheal Rocha did not qualify, but did a great job representing Southland in a very difficult contest. Way to go FFA!

Yearbooks are on sale now!! Sales will end May 16th. Order Form is attached.

Spring Pictures have arrived. These are due Monday April 17, 2014. You have been given a Portrait ID and Access Code to order more pictures online as well. It gives you different packages and background options.

There are three easy steps in ordering pictures.

1. Choose the portrait sheets you want
2. Pay online at mylifetouch.com or by returning payment to Mrs. Hamilton at school. (If you pay online, please return the payment brochure with online code to Mrs. Hamilton for proof of purchase.)
3. Return any portraits you don't purchase to school

If you do not want any of the portraits return the full packet back to school.

The Post Dispatch is being sold in the office for \$0.75. The editor is trying to get our kids in there more often so we wanted to provide a way for parents and students to purchase one locally if they choose.
