

Mercy Ministries

Slaton Area Endowment 2015 Appreciation Dinner

*Tuesday April 28th - 7:00pm
at the Slaton Club House*

*Please plan on joining us as
Klemkes caters an evening of
appreciation for the
community of Slaton!*

We are excited to announce that during the first two years of its inception the Slaton Area Endowment has been able to raise over \$150,000 to benefit our community. Last year, over \$5,000 in grants were given away to local area organizations like the Meals on Wheels Program, the Slaton Weekend Snack Sack Program, Santa Red White and Blue, the Slaton Junior High Choir, The Legacy Foundation, Mercy Manna, and several other local organizations. In the next year we have a goal of raising another \$100,00 to benefit the community of Slaton and its surrounding area.

*Join us as we hear from those who have benefited from this great work,
and help us make plans for future good endeavors in the Slaton area!*
