February Activities

XY Zone

During his XY Zone¹ sessions for the month of February Mr. Doucette led 4th and 5th grade boys in activities and discussion around topics including positive manhood, respect for self and others, and teamwork. He really enjoys these weekly sessions with the great boys who participate in the program.

Providing Resources

Accidents are a frequent occurrence at CTE for our younger students and towards the end of the month Nurse Fred, the school nurse at CTE, was running low on pants and underwear. Mr. Doucette purchased pants and underwear for her to give to students using money which was donated by a Sunday school class from the First Baptist Church here in Slaton. Mr. Doucette is thankful for their generosity and the school nurses at SFA and CTE are always grateful to receive pants and underwear donations.

Helping with Parent Activities

This past month Mrs. Martin, the school counselor at SFA and CTE, put on the event Muffins for Mom at SFA and CTE in order to give students the opportunity to spend some time with their mothers and to share some great Love and Logic parenting strategies with parents. Mr. Doucette was glad to help out with these activities and to see the parents who came out.

CIS 5 Basics

To be successful, CIS believes that every child needs and deserves a:

1) One-on-one relationship with a caring adult

2) Safe place to learn and grow

3) Healthy start and a healthy future

4) Marketable skill to use upon high school graduation

5) Chance to give back to peers and community

The above “CIS 5 Basics” are provided to students on every campus served by CIS
